The screenshot displays the Valtra Connect web interface for a specific machine. The browser address bar shows the URL: <https://www.valtraconnect.com/#/fleet/machines/7471>. The interface includes a sidebar with navigation options: My Fleet, Connect Data, and Subscriptions. The main content area shows the machine name 'Auto generated for YK5N124H0KS120014' and its status. Four blue arrows point to specific data points: 'Üzemanyag szint' (Fuel level) shown as a green bar with 5 segments; 'Váltó/ hidraulika olaj szint' (Transmission/Hydraulic oil level) shown as a green bar with 3 segments; 'Üzemóra' (Operating hours) shown as '87 h'; and 'Szervizig hátralevő üzemóra' (Remaining operating hours until service) shown as '513 h'. Below this, there is a 'Subscriptions' section with details and a 'Service center' section for 'Valkon 2007 Kft.'. At the bottom, there is a 'Usage statistics' section with tabs for 'Map', 'Satellite', 'Alarms', 'Information', 'External systems', and 'Documents'. The 'Satellite' tab is active, showing a map with a green location pin and a blue path. To the right of the map, a summary of usage statistics is provided for the date '2 August 2019':

Metric	Value
Fuel consumption	4 litres
Average consumption	7 litres/h
Idle time	14 percent
Active time	86 percent
Engine hours	1 hours

The Windows taskbar at the bottom shows the system time as 13:48 on 2019.08.02.
